Sunset Park Place
Attn: Jerry Bell
3730 Pennsylvania Ave
Dubuque, IA 52002

Dear Jerry,

After seeing the positive news article in the Telegraph Herald this past week relating to Sunset Park Place, I thought that some **CONGRATULATIONS** to you and your staff are in order. Anytime a business of any kind receives a letter of recognition from the Iowa Department of Inspection and Appeals, they have accomplished above and beyond the goals set by the inspection agencies. I feel that this really reflects back on you and your staff. It means that you ALL have put forth a great deal of effort to gain this recognition from the State of Iowa. It also reflects the dedication put forth by you and your staff.

It's been five years since my sister, Jane, moved into Sunset Park Place after she moved back to Dubuque from Seattle. She has always been very satisfied with Sunset Park Place and never has had any complaints.

As you know, last August 1, Jane had to move into Weland Gardens. This was a hard move for her. Here again, you and your staff made this transition very nice. Every time I visit her there I can see that she is receiving the best care possible. They always seem to have some sort of activity going on. Jane has always said that the food is excellent. You can consider this a privileged statement since it came from a dietician who gained a high rank in the United States Public Service for 33 years as a dietician.

With the redecorating you did last year and the current remodeling project, I must say that this is also a good reflection on the parent company that owns Sunset Park. Your equipment is the best and always seems to be up to date. The grounds are well groomed, both summer and winter.

Anyway, I don't think my sister could be in a better place.

Sincerely,

Christian J. Davidsaver

PS: You can feel free to share this letter with anyone.
