\$3 MILLION ADDITION PROJECT PLANNED FOR RED OAK RETIREMENT COMMUNITY

MONTGOMERY COUNTY – Arlington Place of Red Oak, an established retirement community located at 800 E. Ratliff Rd., will soon be starting a \$3 million renovation project to better serve the needs of area seniors needing exceptional Assisted Living and Memory Care services.

Senior Housing Vice President, Allison Law, explains what the project will entail, “This renovation includes the construction of over 9,600 square feet of new space that will give Arlington Place at Red Oak 13 additional assisted living apartments and new and improved common spaces. We are looking forward to not only improving the building but being able to fill the growing need for assisted living in Red Oak.”

This addition comes nearly 3 years after a project that added four Assisted Living and ten Memory Care apartments. “Since our addition in 2015, Arlington Place has continued to serve a growing need in our community,” said Di Smith, Manager. “Our community refilled quickly, followed by the growth of an extensive waiting list. We feel this addition will serve a need and provide a valuable housing option for seniors who will be needing care, companionship and a beautiful place to live in their retirement years.”
